Bavarian Caravan Demo

We will have a special meeting this month on Friday, June 3rd at 7:00PM at our regular meeting location, the Brighton Town Park Lodge. Well known bonsai artist, Wolfgang Putz from Austria along with Robert Barth and Harold Moehler from Germany will present a special demonstration on a San Jose Juniper. These talented artists will be visiting the International Bonsai Arboretum after the World Bonsai convention and we are fortunate to welcome them for this special program.

They have had considerable experience with collecting pines from the Alps. Wolfgang has a passion for accent plants and has more than 250 in his collection including a vast collection of miniature Hosta. If time permits they will also show slides on their collection in Germany.

Spring Exhibition a Success.

A well deserved thank you is extended to our entire membership for bringing their prize bonsai to share with others and the public as well. The bonsai exhibited were the finest we have had in over 30 years. Everyone came to help set up, answer questions and clean up. A special thank you to Dennis Burns and his son for bringing the two section Japanese garden for us to enjoy. Also a special thank you to Joe Moore who made the arrangements for us to use the Monroe Community Hospital facilities and Charles Osterley who painted the tokonoma before the show to make it look presentable. Jim Doyle presented two stimulating demonstrations and the finished bonsai will be auctioned at a later date. A complete financial report will be presented in a future meeting. Once again, thanks to everyone for participating in our 32nd exhibition.
