June Field Trip Oriental Garden Supply

Visit Our Website

<http://www.bonsai-upstateny.org/>

Please join us on Saturday, June 25th at 10am at Oriental Garden Supply. A map is included to help you get there. Proprietor Al Pfeiffer will lead us through a tour of his nursery which specializes in Japanese maples, conifers, bamboos and other choice plants for Oriental Gardens.

SOCIETY TO SPONSOR EVENING SOCIAL AT INTERNATIONAL BONSAI SYMPOSIUM

He has, perhaps over 300 different cultivars of Japanese maples. Many are in small sizes for bonsai training. Here you can actually see the differences between these choice garden gems. Al knows all about them, so he can easily answer your cultural and identification questions.

Also he has a large selection of dwarf conifers, including many dwarf and rare varieties of Japanese black and Nishiki black pines. There are loads of dwarf spruce, hemlock and many other select species.

Al is interested in bonsai so he has material which has been selected for training purposes. Join us on Saturday, June 25th.

Our society will sponsor the Friday, September 9, 2005 social at the Holiday Inn-Airport during the "Unyewusal Bonsai" Symposium sponsored by International BONSAI magazine. Several of our members have already offered their help and donations for goodies and drinks. We will need wine, beer, cheese, crackers, pastries and more, in addition to ice, plates, cups and napkins. If you would like to donate anything, including funds to help pay for this event, please call Jim Dolce at 247-1527

Meeting Date

**Saturday
June 25, 2005**
