Irene Valavanis
William Valavanis

This July we will have another garden tour to John Nucitelli's unique garden and collection of rare animals. Last summer we also had a scheduled visit to John's garden, but most members could not attend because of a severe thunderstorm. Those who did attend enjoyed the visit and our other members now want to visit.

A map is attached or enclosed for directions to the Nucitelli garden. Please meet at 7pm for a guided tour by John. Following the tour we will proceed to Ock Hee's Gallery, which is very near the Nucitelli garden, to view the Sean Smith Suiseki Exhibit and sale. Normally Ock Hee's Gallery is not open in the evening, but she will open special for us so members can see this outstanding collection of suiseki.

Sean Smith Exhibition and Sale

Ock Hee's Gallery in Honeoye Falls will have a special display of Sean Smith's Suiseki from Saturday, July 22 to August 12. Many new and distinctive suiseki from

Sean Smith's collection will be on display. He was our speaker at our January meeting.

On Saturday, July 22nd at 2:00 pm, Sean Smith will present a program and demonstration on suiseki at Ock Hee's Gallery. This event is free and open to the public. Attend to learn more about suiseki and see the entire exhibit before many of the items are sold. See the attached flyer for additional details.

June Highlights

Matt Ouwinga from Chicago presented an excellent, professional and educational program at our June meeting. Additional details and photos can be seen at:

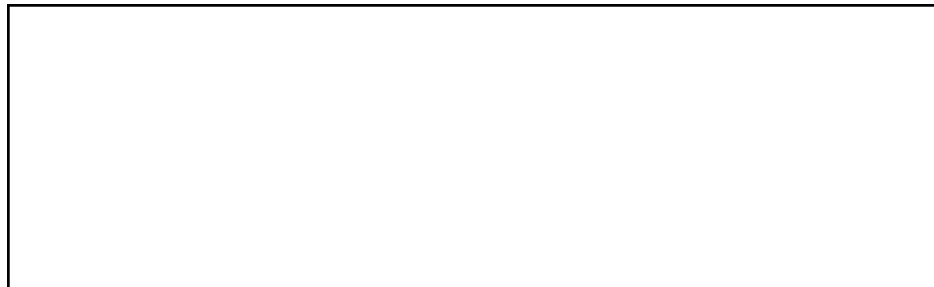

http://internetbonsaiclub.org/index.php?option=com_smf&Itemid=133&topic=19391.0

Before the program members brought in items for sale and after the program Harvey Carapella auctioned other items. Thanks to everyone who donated items for the auction.
